## How does it work?

### 1. Register in [www.saurion.com](http://www.saurion.com)

Register is very quick and easy. As soon as you register you will have your personalized QR. This is a QR code.

Each code is unique and exclusive

### 2. Create a new offer

In only 2 minutes you will be able to create a new offer. You can indicate the validity period that you want. You can also create more than one offer and modify the ones that you have already created. Activate and deactivate the offers in just a few seconds. Make all the changes you want with no extra cost.

### 3. Download your code and receive new clients

We provide you with a QR code that you will be able to place in visible places where your possible client will be able to see them. When the users scan the code with their mobile phones, they will automatically have access to your offers and promotions. They will come to your business during the validity period and show you the discount coupon displayed in their phones.

## Can I see a demonstration?
